Subject: Heads-Up on schedule for receiving the Dicamba answering brief for review

We have been working with DOJ over the past few weeks to get to a decent brief in this complex case. We are expecting a draft for your review on Monday (by 5 pm). Unfortunately, we will need to have any comments by COB Wednesday the 28th in order to turn around all of our comments to DOJ by the morning of the 29th. The brief will be filed on April 9th.

Thank you to everyone in OPP for helping us

explain our positions. We shall see what happens when we get to argument (likely this summer).

I'm attaching the opening brief so you become familiar with the arguments before you see our response.

Thanks
